Weeks 21-24

Feel free to choose any of Michelangelo's other many paintings for your picture study. Use the online resource to view as many as you would like. Please be cautioned that there are many nudes listed among his works so please preview any paintings that you are considering. If you would like to give your child a brief biography of Michelangelo, go to www.abcgallery.com to find information to share. See Appendix A for more picture study ideas.

Option 3:

Weeks 21-24

Choose one or two stickers to use in your notebook. Please note that there are several stickers with nudes. Preview the book before choosing your stickers. You can use the stickers in several ways. One way is to stick the sticker onto notebook paper and then have the child print the painting's name underneath it. You also can put the sticker on a piece of white printer paper and they can make a fancy frame around it with markers or crayons. They also work well on a timeline to record the artist's date. Use your imagination for more ideas of your own.

Choose two or more pages from the coloring book each week for your child to color with colored pencils. The images may be cut out and used in their history notebook as illustrations for narration pages if you so desire.
